

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN AUDIT OF UNIVERSAL LOCAL ACCESS
SERVICE CHANNEL REPORTS

) ADMINISTRATIVE CASE
) NO. 316

O R D E R

On January 25, 1988, MCI Telecommunications Corporation ("MCI") filed its response to data requests with an accompanying letter requesting the responses be treated as confidential and proprietary.

On May 2, 1988, the Commission ordered MCI to specifically identify those portions of its response for which it desired confidential treatment and to file for the public record a copy which comported with 807 KAR 5:001, Section 7. On May 23, 1988, MCI complied with this Order. Therefore, the Commission will address the letter of MCI filed January 25, 1988, signed by counsel, as a petition for confidential treatment. In support of its request for confidential treatment, MCI stated that the disclosure of such material would be competitively damaging.

The Commission, being advised, is of the opinion and finds that MCI's request for confidential treatment of its response to Item 17 filed January 25, 1988 and May 23, 1988 should be granted.

BE IT SO ORDERED.
